

## Legal Ad

The Public Water Systems Supervision Program of the Navajo Nation Environmental Protection Agency is soliciting request for proposals from qualified training professionals with operator certification background to provide the following services for Navajo drinking water facilities. The training needs to meet the Association Board of Certification requirements:

- 1) Basic Water Distribution Operator Certification Level 1-3
- 2) Basic Water Treatment Operator Certification Level 1-3
- 3) Technical O & M Training
- 4) Basic & Advance Water Math
- 5) Distribution Systems
- 6) Disinfection Systems
- 7) Drinking Water Regulations and Sampling
- 8) Groundwater and Wells
- 9) Hydraulics
- 10) Pumps and Motors
- 11) Small Water Systems Design
- 12) Surface Water Treatment
- 13) Security and Safety
- 14) Backflow Prevention and Cross Connection

The contract for qualified training professional services may be for multiple years depending on availability of funds.

Inquiries to this RFP should be directed to the PWSSP at P.O. Box 339, Window Rock (courier address-Building #W008-042, NNEPA Fairgrounds Office), AZ, 86515. Three copies of the proposal along with a sealed fees and expenses schedule are due to PWSSP by October 31, 2011, by 5:00pm. The award of the training consultant contract will be made in accordance with the Navajo Nation Business Preference Law. Navajo Nation deserves the right to accept or reject any and all proposals, waive any informalities, and negotiated with the proposers regarding the terms of their proposals. If there are any questions, please contact PWSSP at 928-871-7755.
