Permit Extension Request Form

A Permit Extension is required to extend the validity of a Construction Permit beyond its expiration date. The Permit Extension must be applied for at least 15 days prior to expiration of the Construction Permit. If a Permit Extension is not obtained from the PWSSP within thirty (30) days after the expiration of the Construction Permit, then all construction must terminate until further notice from the PWSSP.

Project Name/Number: _____ PWSSP File # _____

Water System Name: _____ PWSID # _____

Construction Permit # _____ Date of issue: _____

Anticipated Date of Completion: _____

	Project Owner	Project Engineer
Name:		
Address:
